## Consent to Participate in Electronic Transactions

Federal law requires that New Brunswick Theological Seminary Office of Finance and Administration obtain a student's voluntary consent in order to participate in electronic transactions for all financial information provided or made available to student loan borrowers, and for all notices and authorizations to Federal Student Aid recipients required under 34 CFR 668.165.

If you choose to voluntarily consent to participate in electronic transactions then you will receive federally required notifications via email and you can submit federally required authorizations via the internet. If you choose not to voluntarily consent to participate in electronic transactions then you will receive federally required notifications via regular mail and you will have to submit federally required authorizations via paper.

This consent will allow New Brunswick Theological Seminary to electronically communicate important financial aid information directly to you. Upon request, students are entitled to a paper copy of any of the information electronically communicated by NBTS. To request a paper copy, or if you have any questions, please contact Rachel Sefcik, Financial Aid Coordinator via email: [financialaid@nbts.edu](mailto:financialaid@nbts.edu) or phone: 732-247-5241.

**By signing below, I consent to participate in receiving financial aid award information, notifications, disclosures, award letter, and directions electronically from New Brunswick Theological Seminary Office of Finance and Administration.**
