St. John's University

New Brunswick Seminary students studying at the St. John's campus must register for a selected list of courses offered by the Department of Theology and Religious Studies at St. John's University for credit toward the M.Div. or the M.A. degrees. Registration for these courses takes place directly at St. John's NBTS campus office. The NBTS office at St. John's assists NBTS students with the following procedure:

1. The student must obtain approval from the director of St. John's NBTS campus to take a specific course from St. John's which appears on the NBTS course schedule.
2. The student completes the University registrations form. The completed form is forwarded to the St. John's liaison for processing with the Registrar's office.
3. The student must also place the University course on their NBTS registration form.
4. Tuition will be paid directly to St. John's University by the student with the following exception: students receiving a Federal Direct Student Loan will have the tuition payment made by NBTS directly to St. John's. The student will sign a promissory note for the amount of tuition to be reimbursed to the Seminary upon the receipt of the loan.
5. The student must sign a Consortium Agreement so that grades may be sent from the St. John's Registrar to NBTS and placed on the student's NBTS transcript.

For more information contact the Director of the NBTS program at St. John's.
