

Searching Project Muse Database

1. Navigate to the Sage Library Research Databases webpage at: <https://www.nbts.edu/sage-library/resources/online-databases/>
Scroll down and click on the Project Muse icon to get started.
2. You will be brought to the home screen where you can browse their materials or enter your own search in the bar.

3. To access full texts, be sure to narrow your search only to items available.

4. Enter your search terms. Use the filters in the sidebar to narrow your search. Drop down menus can be used and/or the checked boxes in the “filters results” sidebar.

A screenshot of a search interface. On the left, a dropdown menu is open, showing options: 'Content' (checked with a purple bar), 'Title', 'Author Name', and 'Publisher'. Below the menu is a link that says 'Add Field'. To the right of the menu is a search input field containing the text 'jesus'. Below the input field are two 'And' dropdown menus. At the bottom right of the search area is a yellow 'Search' button.

5. Look for the circle icons to check for “free” or “open access” materials. Then use the options beside that to view, download, or save your reading.

A screenshot of a search result. On the left is a book cover for 'Sirena' by Jesús Aguado, featuring a window in a wooden wall. To the right of the cover is the title 'Rafael Pérez Estrada en la India' in bold blue text. Below the title is the author's name 'Jesús Aguado' and the text 'Sirena: poesía, arte y crítica' and 'Johns Hopkins University Press'. Below that is '2006:2, pp. 231-233' and the word 'ARTICLE' in red. At the bottom are icons for 'FREE', 'View', 'Download', and 'Save'. A yellow arrow points to the 'Save' icon.
