Searching EBSCO HOST Database
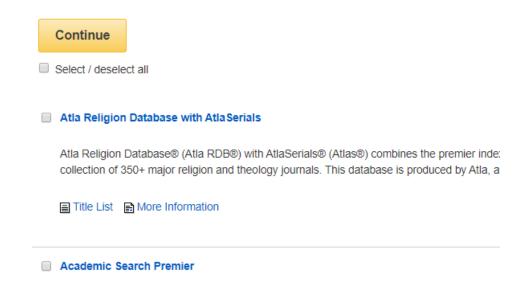

1. Navigate to the Sage Library webpage by going to: https://www.nbts.edu/sage-library/resources/online-databases/ and connecting to the Research Databases page.

2. Under Research Databases, navigate to the EBSCO Host link.

3. If you are off-campus you will be brought to the EBSCO login page. Login with the EBSCO id and password that can be obtained from the Sage Library. Note: This is not your student id or email.

4. Click on the link for EBSCOhost Web.

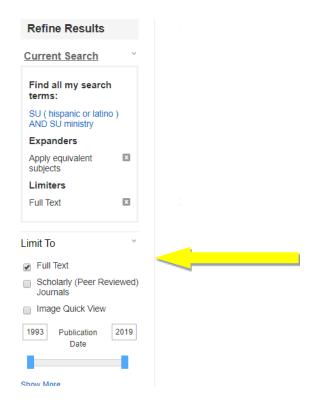

EBSCOhost Web

5. Select the link for the resource you would like to use. You can select all, but in most cases you'll want to narrow your search to Atla Religion Database and Academic Search Premier.

No results were found.

Note: Results may be found using SmartText Searching.

9. In the example above, notice the terms "Latin X" did not produce any results. Searching the Thesaurus for "Latin X" results in a suggestion to use "Hispanic Americans" for "Latin X."

10. Begin a new search using the revised terms to see the expanded results.
